THIS IS CONGRESSMAN NICK RAHALL

THE HOUSE OF REPRESENTATIVES HAS TAKEN ACTION ON A MEASURE THAT WILL PROVIDE GRANTS TO WEST VIRGINIA FAMILIES WHO ARE UNABLE TO PAY THEIR RAPIDLY RISING HEATING COSTS.

THE BILL, HR 9375, WILL APPROPRIATE \$200 MILLION DOLLARS TO HELP LOW INCOME FAMILIES, AND OLDER AMERICANS ON FIXED INCOMES, WHO CANNOT POSSIBLY BE EXPECTED TO ABSORB THE TREMENDOUS INFLATION IN HEATING BILLS WHICH OCCUR DURING A FUEL EMERGENCY, LIKE THE ONE WE EXPERIENCED LAST WINTER.

I ENTHUSIASTICALLY SUPPORT THIS LEGISLATION, BECAUSE THERE IS NO REASON WHY FAMILIES HAVE TO SUFFER THROUGH THE WINTER COLD WITHOUT ADEQUATE HEATING.
