Washington D.C. --- Fourth District Congressman Nick Rahall today announced a \$328,000 grant to the Crum Public Service District.

The Farmers Home Administration has approved a \$328,000 grant, and a \$275,000 loan for the construction of a water system to serve 231 residents.

The funding will be used to install 8.12 miles of line, add a booster station, and a 150,000 gallon storage tank. The customers are located on Route 52 in the southern section of Wayne County.

The Department of Housing and Urban Development will also add a grant of \$81,000 to the project.
