THE U.S. HOUSE OF REPRESENTATIVES HAS APPROVED LEGISLATION THAT WILL PROVIDE \$250-MILLION DOLLARS IN FEDERAL FUNDS, TO FIX POTHOLE ON OUR NATION'S ROADS.

AS A SPONSOR OF THIS MEASURE, I AM PLEASED TO KNOW THAT SOUTHERN WEST VIRGINIA WILL BE A RECIPIENT OF SUCH A PROGRAM. I AM SURE EVERYONE HAS HAD A TEETH-JARRING ENCOUNTER WITH A POTHOLE OVER THE LAST FEW WEEKS.

THESE FEDERAL FUNDS WILL COVER POTHOLE DAMAGE THAT HAS RESULTED FROM THE ^{SEVERE} WINTER OF 1977-78, AND EACH STATE APPLYING FOR ^{SUCH} THE AID, MUST DO THE REPAIR WORK BY LATE SPRING.

THIS IS CONGRESSMAN NICK RAHALL.
