Flood Relief  
42 seconds

THIS IS CONGRESSMAN NICK RAHALL

has just passed  
THE U.S. HOUSE OF REPRESENTATIVES, AT THE PRESENT TIME,  
IS CONSIDERING A RESOLUTION THAT WILL PROVIDE AN ADDITIONAL  
\$19 MILLION DOLLARS FOR DISASTER RELIEF IN SOUTHERN WEST VIRGINIA,  
WHICH WAS A RESULT OF FLOODING IN APRIL AND AUGUST OF LAST YEAR.

DUE TO THE EXTREME NATURE OF NATURAL DISASTERS THROUGHOUT  
THE UNITED STATES IN 1977, THE EMERGENCY DISASTER RELIEF  
APPROPRIATIONS ACT WILL GUARANTEE THAT MONEY IS READILY AVAILABLE  
TO ALL FEDERAL AGENCIES ASSIGNED TO CARRY OUT DISASTER RELIEF  
OPERATIONS.

I SEE THIS AS AN IMPORTANT STEP BEING TAKEN BY THE FEDERAL  
GOVERNMENT, HOWEVER, I AM STILL <sup>DEEPLY</sup> AWARE OF THE GREAT NEED FOR  
LONG TERM FLOOD PROTECTION FOR THE RESIDENTS OF SOUTHERN WEST  
VIRGINIA.
