

:45 sec.

THIS IS CONGRESSMAN NICK RAHALL.

I HAVE BEEN WORKING WITH THE CARTER ADMINISTRATION ON A PROPOSAL TO CONVERT UTILITY PLANTS TO COAL, AND AS CHAIRMAN OF THE CONGRESSIONAL COAL GROUP, INTEND TO INTRODUCE LEGISLATION IN THE VERY NEAR FUTURE.

THIS COAL CONVERSION BILL WILL TAKE ON THE TWO MOST IMPORTANT ISSUES FACING THE AMERICAN PEOPLE--INFLATION AND ENERGY.

THROUGH INCREASED COAL USE--- WE WILL REDUCE OUR DEPENDENCE ON IMPORTED OIL, DECREASE THE RISING COST OF LIVING, AND PUT MANY OF OUR UNEMPLOYED WEST VIRGINIA MINERS BACK TO WORK.

WITH THE ADMINISTRATION OUTLINING ITS PLAN TODAY, CONGRESS CAN NOW BEGIN THE PROCESS OF MOVING COAL TO THE FOREFRONT-- AS OUR NATION'S TOP ENERGY RESOURCE.

THIS IS CONGRESSMAN NICK RAHALL.
