THIS IS CONGRESSMAN NICK RAHALL.

I HAVE BEEN IN PHONE CONTACT WITH THE CHIEF OF THE ARMY CORPS OF ENGINEERS, CONCERNING A WATER SYSTEM FOR THE BEECH FORK AREA. AT THE PRESENT TIME, ALMOST 1000 RESIDENTS COULD BENEFIT FROM THE INSTALLATION OF THIS WATER SYSTEM.

THE CORPS INFORMS ME, THAT THEY ARE TAKING THE STEPS TO BECOME A ^{potential} CUSTOMER FOR WATER IN THIS AREA, THEREBY PROVIDING ADDITIONAL FUNDS NEEDED TO COMPLETE THE SYSTEM.

THE CORPS WILL BE MAKING ^{a number} INQUIRIES, AND IT IS HOPED A DECISION CAN BE MADE SOON; WHICH WOULD RESULT IN A NEEDED PUBLIC SERVICE BEING PROVIDED TO THE BEECH FORK RESIDENTS.

THIS IS CONGRESSMAN NICK RAHALL.
