RAHALL ANNOUNCES RALEIGH-WYOMING
HEALTH CARE GRANT TO SERVE COUNTIES

Washington, D.C. -- U.S. Rep. Nick Rahall (D-W.Va.) today announced that the Community Health Systems, Inc. of Beckley has received a grant in the amount of \$807,597 from the U.S. Department of Health and Human Services.

Rahall stated, "This grant will allow access to those in the counties of Raleigh and Northeastern Wyoming to medical care who otherwise could not afford it. Additionally the community health centers of our nation provide local care to individuals who would otherwise have to travel further distances to receive attention. This program is vital to our national health care delivery system, and I will continue to strongly support it."
