WASHINGTON, DC -- U.S. Rep. Nick Rahall announced that the U.S. Department of Housing and Urban Development awarded \$186,778 to the Mingo County Housing Authority for the construction of 39 family housing units. Over five years the Housing Authority will receive a total of \$933,890 for this project.

"This funding will make a substantial dent in the need for quality low income housing in Mingo County," said Rahall.
