U.S. Rep. Nick Rahall

Statement on North American Free Trade Agreement

"I will not support NAFTA. NAFTA is supposed to be a free trade agreement. I am convinced it is not a fair trade agreement for the United States or for the American worker. Wall Street gets NAFTA, main street gets SHAFTA.

"We must ask, 'What do we have that Mexico wants? Secondly, what will Mexico have that we want?' The answer: U.S. jobs to both questions if NAFTA is passed.

"The side agreements which I had hoped would address my major concerns about labor laws, the environment and health factors have no teeth."
