CONGRESSMAN RAHALL SUPPORTED THE BREWSTER-HUNTER CRIME BILL

Washington, D.C. -- U.S. Rep. Nick Rahall announced today that he was in support of an alternative crime bill. Rahall supported the Brewster-Hunter because "it was a direct attack on the cause of crime, the criminal," explained Rahall.

This bill contained mandatory sentencing for crimes committed with guns and mandatory registration for of all sexual predators. The bill would also have provided \$12 billion for prisons and another \$12 billion for state and local law enforcement agencies.
