Dear Ms. Green:

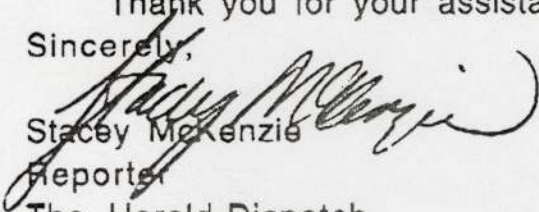

This request is made pursuant to the Freedom of Information Act, Title 5, U.S. C., Sec. 552. We request access to and copies of phone records to and from the office of Carol Browner, administrator of the U.S. Environmental Protection Agency, for the month of November and Dec. 1 through Dec. 7, 1994. We also request copies of any correspondence to or from Browner's office referring to Apple Grove Pulp & Paper Co. or Parsons & Whittemore, its parent company.

We ask that you waive search and copy fees because we are gathering information on a matter of public interest.

If any part of this request is denied, please justify the denial by reference to specific exemptions. Also, we expect you to release all reasonably segregable portions of otherwise exempt material and to provide us with an index of all materials withheld on the basis of an exemption. We reserve the right to appeal your decision to withhold any materials.

Because I am making this request as a journalist and this information is, therefore, of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you should have any questions regarding this request.

Thank you for your assistance. I look forward to receiving your reply promptly.
Sincerely,

Stacey McKenzie
