THE COLLEGE OF WEST VIRGINIA AWARDED \$12,475 FOR NURSING STUDENT LOANS

WASHINGTON D.C. -- U.S. Rep. Nick Rahall (D-WV) announced today that The College of West Virginia in Beckley is receiving \$12,475 in grant funding for the Nursing Student Loan Program. The funding will be distributed to nursing students participating in the Baccalaureate Degree Nursing program at The College of West Virginia.

The federal funds were released by the Division of Student Assistance which is overseen by a collaborative group including: the U.S. Department of Health and Human Services, the Public Health Service, and the Health Resources and Services Administration.

"The Nursing Student Loan Program established by the federal government is advantageous for students," stated Rahall. "With the growing costs of education, it is reassuring to know that students in West Virginia may have the opportunity to receive their degrees and not be held back by financial obstacles," Rahall concluded.
