VFW TO RAHALL: "WE WANT YOU"

WASHINGTON, D.C. — The Veterans of Foreign Wars Political Action Committee (VFW PAC) today announced its endorsement of U.S. Rep. Nick Rahall (D-WV) in his bid to seek an eighth consecutive term.

John R. Ray, Chairman of the VFW PAC Board of directors said, "the purpose of the VFW PAC is to support congressional candidates who support veterans' and national security issues of concern to the veterans of foreign wars. Rep. Rahall's record shows that he is deserving of this endorsement."

The VFW PAC began operations in 1979. Today, it is one of more than 4,000 Political Action Committees registered with the Federal Elections Commission.

Funds to political candidates come from private contributions voluntarily made by VFW members and employees.

"I am grateful for the support that the VFW PAC has shown me," said Rahall. "I consider our joint struggle for the rights and needs of veterans, as well as our shared concern for the protection of our flag, one of my strongest priorities as Congressman from the Fourth District."

Dear Mr. Rahall,

Congratulations, the Board of Directors of the VFW Political Action has endorsed you for reelection.

The Board selected you for endorsement because of your support for Veterans' and National Security issues of concern to the VFW.

The VFW PAC extends their appreciation for your positive vote on HJRes 350, protection for the American Flag through a Constitutional Amendment.

The VFW PAC believes that the American people should decide the fate of their Flag. The ratification process by each state would give the public that right.

I understand that some candidates do not wish to receive unsolicited PAC funds. Please advise me in writing if you will accept PAC money. *Yes!*

Again, congratulations and I trust that our nations' veterans will continue to receive your support.

Sincerely,

James R. Currie, Director
