September 26, 1990

The Honorable Nick Joe Rahall, II
House of Representatives
Washington, D.C. 20515

Dear Mr. Rahall:

Transportation Secretary Sam Skinner and I are pleased to announce that the Urban Mass Transportation Administration (UMTA) intends to award approximately 147 grants totalling \$185 million to transit agencies, State governments, and planning organizations across America. These grants will fund a wide range of transit activities including vehicle acquisition, construction and rehabilitation, operating assistance and planning studies.

I am enclosing a list of projects in your State. The list shows the project number, location, grantee, the amount of UMTA funds, and a brief description of the projects. Grantees will be advised of these approvals on September 28, but you should feel free to immediately make whatever local announcements you deem appropriate. If you need any further information concerning these grants, please contact Ms. Nancy Butler, Special Assistant to the Administrator, at (202) 366-4319.

Sincerely,

Brian W. Clymer
