HUNTINGTON MUSEUM NETS SUPPORT FUNDS FROM NEA

WASHINGTON, D.C. -- U.S. Rep. Nick Rahall (D-WV) today announced the Huntington Museum of Art has been awarded \$28,500 from the National Endowment for the Arts.

The money will be used to support part-time staff; maintain the permanent collections; produce a development video; as well as to train staff and upgrade the museum's computer system.

I am glad to see the Huntington Museum receive the kind of funding they deserve, so that they can continue to do the work that is so vital to the arts community in Huntington and West Virginia," said Rahall.
