HUNTINGTON GRABS HUD FUNDS

WASHINGTON, D.C. -- U.S. Rep. Nick Rahall (D-WV) today announced that Huntington has received \$2.2 million, in the form of a Community Development Block Grant (CDBG), from the Department of Housing and Urban Development (HUD).

The funding will be used for street improvements, public facility improvements, various public service activities, single family home renovations, and economic development loans.

"These funds will be a great asset to Huntington," said Rahall.
