WASHINGTON, D.C. -- U.S. Rep. Nick Rahall (D-WV), a senior member of the House Public Works and Transportation Committee as well as the Surface Transportation Subcommittee, will introduce U.S. Rep. Norman Mineta (D-CA), the Chairman of the Surface Transportation Subcommittee, when he speaks before southeastern state highway officials on road needs in the United States.

The meeting will be held at the Charleston Civic Center at 10:00 a.m. on Monday, September 16th. Secretary of Transportation Arch Gleason will also be in attendance.

Rahall said that he will touch on the impact of the highway bill on the American economy, especially the southeast, and how it will shape our transportation goals as we approach the 21st century.
