RAHALL ANNOUNCES \$1,253,000 MILLION GRANT FOR COMMUNITY HEALTH SYSTEMS

WASHINGTON DC - The Department of Health and Human Services has awarded \$1,253,203 for Fiscal Year 1992 to Community Health Systems, Inc. in Beckley, West Virginia, according to U.S. Rep. Nick J. Rahall, (D-WV).

The Community Health Center Project, under the direction of the Public Health Service Act, is a 25 year program of the HHS, whose priority is on general health care service and maintenance in rural or urban underserved areas.

"The Community Health Systems, Inc. has been serving the needs of Southern West Virginians for a number of years with or without compensation. This \$1 million plus award is critical for the continuation of these services to those who need them most," heralded Rahall.
