FAA AWARDS RALEIGH COUNTY AIRPORT \$817,409

WASHINGTON, D.C. -- U.S. Rep. Nick Rahall (D-WV) today announced that the Raleigh County Airport Authority has been awarded \$817,409 to begin construction of a parallel taxiway.

The Federal Aviation Administration (FAA), who issued the grant, has said that they intend to provide additional funding in future years as monies become available.

"This funding is important to the continued development of the Raleigh County Airport," said Rahall, a member of the Aviation Subcommittee in the House of Representatives. "Expansion is vital and we will continue to work toward greater development in the years to come."
