## WEST VIRGINIANS FOR LIFE ENDORSE RAHALL

MORGANTOWN, WV -- The West Virginians for Life Political Action Committee has endorsed U.S. Rep. Nick Rahall (D-WV) in his primary bid to represent West Virginia's third congressional district.

"I am honored and pleased to have been selected by West Virginians for Life," said Rahall. "They have shown great leadership in the prolife community."

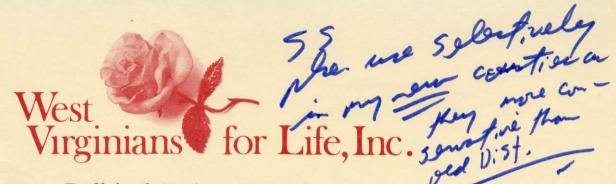

West Virginians for Life is affiliated with the National Right to Life Committee, which through education and legislation has helped foster an attitude where all human life is respected from conception until natural death.

Wanda Franz, West Virginians for Life PAC Vice-President, said about Rahall: "We commend Congressman Rahall for his efforts during his service in the U.S. Congress. He has proven himself to be committed to the unborn."

Congressman Nick Joe Rahall, II 1801 Harper Rd Beckley, WV 25801

Dear Congressman Rahall,

We are pleased to inform you that the West Virginians for Life Political Action Committee has endorsed you for re-election to the U.S. House of Representatives for the primary election. Endorsements for the general election will be made separately at a later time.

Please feel free to disseminate the enclosed press release in any appropriate manner or to use it in preparing your own announcement. In order to give you full control over the announcement of our endorsement, we do not ourselves distribute the press release, however we are eager to assist you in any way that would contribute to a successful campaign. If you would like to help please contact the WVL PAC at 291-LIFE.

We will be publicizing your endorsement in our state and local newsletters, along with the endorsements of other pro-life candidates. If you would like further information on this issue, or our informative Confidential Pro-Life Candidate Guide, contact us requesting the information.

Thank you for your commitment to the pro-life cause and extend our best wishes for a successful campaign.

Sincerely,

Mark McGinnis WVL PAC President
