Washington, D. C. 20515

Dear Mr. Chairman:

The bill S. 323 and related legislation which would  
protect the rights of franchised gasoline dealers awaits  
action in your Committee.

This legislation is urgently needed to prevent further  
abuses by the major oil companies and the ultimate elimina-  
tion of the dealer owned service station.

In the interest of justice and to maintain competition  
in the marketplace, I would consider it a personal favor if  
you would expedite consideration of an appropriate measure.

With every good wish, I am

Sincerely,

*Bob*
