Dear Mr. Bargeloh:

Thank you very much for your note of recent date. I appreciate your taking the time to write me with reference to the present energy crisis.

It is certainly good to have your comments in behalf of the Goldwater-Rooney Amendment to the "National Emergency Energy Act."

As you no doubt know, our Committee did adopt this amendment which would "provide for equitable treatment of all sectors of the economy." You may be assured I was pleased to have supported this provision and will continue my efforts toward the passage of fair and equitable legislation for all.
