

Congress of the United States
House of Representatives
Washington, D.C. 20515

November 30, 1973

The Honorable Harley O. Staggers
Chairman
House Interstate and Foreign
Commerce Committee
Rayburn House Office Building
Washington, D. C. 20515

Dear Mr. Chairman:

Recognizing that the most pressing problem facing this nation today is energy, we the undersigned request that you schedule meetings on a morning, afternoon and evening basis for the consideration of H.R. 11450:
