Dear Mr. Ferguson:

Thank you very much for your letter of recent date relative to the present energy crisis.

I deeply appreciate your writing me and have noted with much interest your comments concerning gasoline rationing. You may be assured I will continue my efforts toward the passage of fair and equitable legislation for all.

As you know, of course, the House and Senate did take action on the Energy Emergency Act during the last days of the First Session. In all probability, it will be one of the first items to be considered when the Second Session of the 93rd Congress convenes.

Again, thanking you for writing me and with best wishes, I am

Sincerely yours,

HARLEY O. STAGGERS

Hon. Sir:-

I had the privilege of seeing and hearing Senator Jackson on T.V. Sunday, Dec. 16, and I agree in full on his views about Gasoline Rationing.

If the President has his way about it, only the wealthy and Rich will be able to drive Cars in this Country.

The only answer is Rationing, like during world war II, so that we will ALL be treated fairly, Rich AND POOR Respy Yours
