Dear Mr. Hatcher:

Thank you very much for your telegram of recent date relative to the gas situation in Morgantown.

It was good hearing from you. Needless to say, I share your extreme concern with the present fuel shortage.

Almost daily, I have been in contact with the Federal Energy Office officials here in Washington, the Regional Office in Philadelphia, and the State Office in Charleston.

As you may be aware, this week I was successful in having passed by the House the "Emergency Energy Act." I will continue doing everything within my power to be helpful.

Again thanking you, and with kind personal regards, I am

Sincerely yours,

HARLEY O. STAGGERS
