Dear Mr. Henry:

Thank you very much for your letter of recent date. I appreciate your writing me.

From your communication, I have noted your opposition to the "Restrictions on Windfall Profits", in the Emergency Energy Act.

As you know, of course, the House and Senate did take action on this legislation during the last days of the first session. In all probability, it will be one of the first items to be considered when the second session of the 93rd Congress meets on January 21.

Again, thank you so much for the benefit of your views.

With best wishes and kind personal regards, I am

Sincerely yours,

Dear Sir:

I am writing you in regard to the Energy Emergency Act -
see 117 Restrictions on Windfall Profits.

Please be informed as a small Oil Jobber in the State of
West Virginia, that the passage of this portion, would be very
harmful to me and other jobbers like me around the country.
I urge you to defeat this section of the bill. With the infla-
tion going up each day, we could not survive on our 1967 to 1971
average profit.

I feel that the controls on prices should be lifted as soon
as possible with certain restrictions, such as the Automobile
Industries recent move.

Your favorable decision to our cause and future will be most
appreciated. Thanking you in advance, I remain,

Most Sincerely,

David A. Henry
