Dear Mrs. Imbach:

Thank you for your letter of recent date. I appreciate your writing me and want to assure you of my desire to be of service whenever possible.

From your communication, I have noted with much interest your comments relative to the price of gasoline and home heating oil. Needless to say, I can well understand your feelings and the difficulties in existing on a limited income.

As you may know, S. 2589, the Energy Emergency Act, was recently passed and did contain a price rollback provision. Last week the President vetoed the measure, and the veto was sustained in the Senate. However, I am still hopeful that we will get an energy bill passed.

Again, thanking you for writing and with kind regards, I am

Sincerely yours,

HARLEY O. STAGGERS
