Honorable H. Staggers  
Senate Office Building  
Washington, D. C., 20510

Dear Mr. Staggers:

On behalf of the 900 members of Local Union 317  
I urge you to support fuel rationing and use what influence  
you might have to keep a price increase down.

It is the feeling of the members of this Local  
Union that a gasoline price increase would affect their  
opportunity to get back and forth to work, whereby a gasoline  
rationing program would meet their needs.

Respectfully yours,

IBEW LOCAL UNION NO. 317
