Dear Mr. Moore:

Thank you very much for your telegram of recent date signed also by our mutual friends, Carl Marsh and Charles Brown.

It is always good hearing from you. As I have said so many times, I certainly want to be of service whenever possible. From your communication, I note you are in favor of amendment to Section 202 of the "National Emergency Petroleum Act."

I am glad to have the benefit of your views. As you no doubt know, we did pass the "Energy Emergency Act" last Friday, and the measure will be considered by a House-Senate Conference Committee this week. Needless to say, we have tried to provide the most equitable legislation for the benefit of all.

With very best wishes to you and yours, I am

Sincerely yours,

HARLEY O. STAGGERS
