Dear Mr. Henderson:

Thank you very much for your telegram of recent date concern-  
ing the anti-busing amendment to the Energy Emergency Act.

It is good hearing from you, and I am always glad to have the  
benefit of your views.

As you know, of course, the House and Senate did take action  
on this legislation during the last days of the First Session.  
In all probability, it will be one of the first items to be con-  
sidered when the Second Session of the 93rd Congress convenes.  
You and yours may be assured I will continue my efforts toward  
the passage of fair and equitable legislation for all.

Again, thanking you and with best wishes always, I am

Sincerely yours,

HARLEY O. STAGGERS
