Dear Mr. O'Hara:

Thank you very much for your letter of January 10. I appreciate your taking the time to write me and want to assure you of my desire to be of service whenever possible.

It is certainly good to have your comments in behalf of the Goldwater-Rooney Amendment to the "National Emergency Energy Act."

As you no doubt know by now, our Committee did adopt this amendment which would "provide for equitable treatment of all sectors of the economy." You may be assured I was pleased to have supported this provision and will continue my efforts toward the passage of fair and equitable legislation for all.

With every good wish and kind regards, I am

Sincerely yours,

HARLEY O. STAGGERS

The Honorable Harley O. Staggers
House of Representatives
Washington, D. C. 20515

Dear Mr. Staggers:

I'm asking your support of House Bill 11450 with the Barry Goldwater, Jr., amendment. This amendment provides that all industry and recreational fuel allocations will be determined by an equal percentage reduction from last years use. As a result motor racing will be treated in exactly the same way as football, baseball, horse racing, etc.

Thank you for the fine work you have done in the past.

Sincerely yours,

Michael J. O'Hara
