Re: Energy Crisis

Dear Mr. Chairman:

I enjoyed talking with you on the telephone last Saturday and was pleased to do our part on behalf of the tourism industry in getting the House Rules Committee to move positively on S.2589, the Energy Emergency Act.

I followed closely your most effective work in guiding this bill on the floor of the House. Congratulations on a job well done and I do hope that despite the threat of a veto by the President, you will persist in your work to bring about effective legislation to deal with the energy crisis, and you can count on my continued support and that of the tourism industry which we represent.

Warm regards.

Sincerely,

WILKINSON, CRAGUN & BARKER
