Dear Mr. and Mrs. Rawson:

Thank you very much for your telegram of recent date relative to the Emergency Energy Act.

I deeply appreciate hearing from you and your friends concerning this bill and note your favor recommittal of this measure.

As you no doubt know, the President recently recommended that the energy bill not be passed and the Senate voted accordingly. The bill was recommitted to Conference, and further meetings have been scheduled. It is my sincere hope that something favorable can be worked out for the benefit of all.

Again, thanking you and with best wishes, I am

Sincerely yours,
