Inside Mail

Dear Mr. Chairman:

I want to express to you my deep appreciation for giving me the opportunity to be present during the Energy Conference Committee discussion of the windfall profits section of the energy bill. I am pleased with the section as it was adopted.

I appreciate the consideration that you give me, a junior member of the Committee, to speak out and to forward my legislative proposals.

Jane and I wish you and your family the very best in 1974.

Sincerely,

*W. Roy*
