Dear Mrs. Seeders:

Thank you very much for your letter of recent date. I deeply appreciate your taking the time to write me.

From your communication, I note you feel that rationing of gas and other fuels should be brought to a vote of the people.

It is always good having the views of well-thinking citizens such as yourself. I do hope I shall continue to merit your good words and confidence. It is my hope and prayer to continue doing the very best job possible in behalf of West Virginia and the Nation.

Again thanking you, and with best wishes for the Holiday Season, I am

Sincerely yours,

HARLEY O. STAGGERS
