Dear Mr. Good:

Thank you very much for your letter of recent date. I appreciate your taking the time to write me and note with much interest your comments relative to our present "energy crisis."

From your communication, I have noted your comments relative to the effect any proposal for gas rationing would have on recreational and entertainment tours.

As you know, the "Energy Emergency Act" was passed by the House last week and is presently being considered by a joint Conference Committee. You may be assured we are doing our very best toward the passage of equitable legislation for the benefit of all.

Again, thanking you and with best wishes to you and yours, I am

Sincerely yours,

HARLEY O. STAGGERS
