

TEXT OF TELEGRAM FROM ARNOLD MILLER, PRESIDENT, UNITED MINE WORKERS,
TO CHAIRMAN STAGGERS 2-27-74 - **FROM ARNOLD MILLER**

On Wednesday February 27 the House of Representatives will again
be considering the Conference Agreement, House Report 93-973, on
S. 2589, the Emergency Energy bill, a temporary measure to give the
President power to impose rationing and implementing energy conserva-
tion measures. The United Mine Workers of America support the
Conference Agreement on S. 2589 with its present language and pro-
visions and urge you to accept this version without voting on separate
sections. We contend that fuel shortages do exist and will continue
and that to insure that the nation's energy needs are met it is
essential to pass this legislation now. The UMWA strongly urges your
support of the Conference Agreement on S. 2589.
