Dear Mr. Phillips:

I am certainly sorry we missed each other when you telephoned and I tried to return your call this week. However, Miss Furfari did tell me of your conversation earlier today.

It is good to know of your concern with the amendment to the energy bill pertaining to the antitrust provision. As Miss Furfari informed you, our Committee did adopt this amendment this morning.

Again, thank you very much for taking the time to be in touch with me. We are doing our very best toward the passage of an emergency energy bill which would be beneficial to all.

With kind personal regards to you and the members of your fine Association, I am

Sincerely yours,

HARLEY O. STAGGERS
