Dear Mr. Chairman:

You will recall that you were kind enough to give me some time to discuss the extension of the Interstate Compact to Conserve Oil and Gas in your office in February. At that time you assured me of a prompt hearing on this matter.

In recent contact with the Committee staff, I have been advised that no resolution has been filed with the purpose of extending our Compact. I am at somewhat of a loss to know how to proceed on this matter, so I am bringing it to your attention.

Please advise me as to how it might be possible to have this resolution filed in the House. For your information, the companion resolution has been filed in the Senate. It is numbered S. J. R. 72.

I appreciate your past courtesies and I am sure that you will give me some assistance in this problem.

Sincerely,

*W. Timothy Dowd*

Dear Mr. Chairman:

You will no doubt recall that the Interstate Compact to Conserve Oil and Gas will expire on August 31, 1971. In the past this measure has been handled in the Interstate and Foreign Commerce Committee and authored by you. We are anxious to commence a renewal of this measure and obtain the approval of Congress.

There are certain matters in connection with the extension of the Compact which we would like to bring to your attention. Our general counsel, Richard C. Byrd, and I plan to be in Washington next Wednesday, February 24, and would appreciate an appointment with you to discuss this for 15 minutes.

I will arrive in Washington at approximately 3 p.m. on Tuesday and will call your office at that time if I have not heard from you with relation to this appointment.

I look forward to seeing you next week.

Sincerely,

*W. Timothy Dowd*
