Captain James Roland Greene, A.C.  
379 Base Hdqs., Air Base Squadron  
Miami, Florida

My dear Captain Greene:

I wish to express to you my appreciation of your courtesy and efficiency in providing necessary motor transportation arrangements for the subcommittee of this Committee on their recent mission to Miami Beach, Florida. At their direction, I am pleased to convey similar appreciations from Hon. Harley M. Kilgore, USS, Chairman, and Hon. Homer Ferguson, USS, member of the subcommittee.

Your arrangements and facilities left nothing to be desired from the time of arrival at Miami Airport, January 4, 1944, until departure therefrom, January 10, 1944.

The Committee and all concerned are indeed appreciative of your effort in their behalf.

Attention is also invited to the efficiency of your subordinate, Corporal Paul J. Verdi, and those other drivers, both civilian and military, who served the Committee. We were all very favorably impressed by their uniform courtesy, professional qualifications as drivers, and their care and attention to assignments.

Yours faithfully,

FRANK E. LOWE
