Honorable Hugh Fulton  
449 Senate Office Building  
Washington, D. C.

Dear Hugh:

I return herewith the correspondence forwarded to me with your memorandum of the thirty-first day of January relative to British vessels. I think this investigation should be carried on. I saw evidence of this situation in the Tampa Shipyard and the Manager there could probably give us some very good information.

With kindest regards, I am,

Most sincerely yours,

hh
