Senator Harley M. Kilgore
United States Senate
Washington, D. C.

Dear Senator:

I was pleased to receive your letter stating that you and Senator Ferguson appreciated the courtesies and manner in which the officers and men at Excursion Inlet expedited your work in that area. I know that Colonel Norris appreciated your personal letter to him.

I am glad to know that Members of my command have aided in the carrying out of your mission.

Respectfully yours,

Eley P. Denson
