

x - MRX. COLLINS (SMALL BUSINESS COMMITTEE)

COPY

August 13, 1942

Senator:

Mr. Collins of the Small Business Committee says that H. R. 7297 is bad. It will affect every investigating committee including the Truman Committee. Particularly does ~~he object to the~~ marked section of the bill on page two.

He hopes that you will object strenuously to this bill if it comes up on the Senate Floor and he hopes to discuss it further with you.
