Mr. G. G. Morse
920 Ann Street
Parkersburg, West Virginia

My dear Mr. Morse:

I have discussed your letter of the twenty-eighth day of January with Senator Truman, Chairman of the Committee investigating the National Defense Program. He informs me that his Committee is considering an investigation of the proposed sugar and alcohol situation.

I genuinely appreciate your comments on this matter and trust that some satisfactory solution will be worked out in the near future.

With kindest regards, I am,

Most sincerely yours,

ck
