Honorable H. A. Stansbury

Dear Harry:

I have delayed answering your letter of the twenty-third day of January in the hope that I could obtain for you a copy of the Truman Report.

However, each member was given such a limited number and each had such a tremendous demand that I have not as yet succeeded in obtaining a copy of this report for you. If and when it is available, I shall most assuredly send one to you.

With kindest regards, I am

Most sincerely yours,

Dear Harley:

Could you send me a complete, or a condensed, copy of the report of the TRUMAN COMMITTEE dealing with inordinate profits of corporations having war contracts, and other aspects of the war production effort, or lack of effort?

We receive the CONGRESSIONAL RECORD but a rather careful perusal of this publication fails to reveal this report.

Thanking you very much for your favor in this matter, I am

Sincerely yours,
