Mr. J. Edward Kildow  
Elkins  
West Virginia

My dear Mr. Kildow:

In response to your letter of the twenty-second day of January, I sincerely regret that it is not possible for me to supply you with a copy of the Truman Committee report, as I am allotted only five copies for office use.

Thanking you for your interest and hoping that the next time you call upon me, I may be better able to serve you, I am, with kindest regards,

Most sincerely yours,
