30 June 1944

MEMORANDUM FOR GENERAL FRANK E. LOWE

Subject: Incendiary Bomb

Pursuant to your memorandum of 27 June 1944 requesting this office to advise Senator Kilgore of whether or not the War Department is interested in developing an incendiary bomb as per the description contained in memorandum annexed to your communication, the matter was discussed with Senator Kilgore on 29 June 1944 and the Senator advised that the Army Air Forces have already issued instructions on the method of preparing incendiary bombs similar to the type described by Senator Kilgore's correspondent.

Senator Kilgore stated he was satisfied with the information furnished.

MILES H. KNOWLES,
Lt. Colonel, J.A.G.D.

For Julius H. Amberg,
Special Assistant to the
Secretary of War
