COPY

Aug 11 1942

My dear Mr. Doerner:

I have read carefully your letter of July 14 and the enclosed copies of correspondence in connection with the appeal of your efficiency rating of "Fair" for the rating year 1941.

I have today designated a committee composed of Assistant Secretary Chapman, as chairman; Mr. Stephen Raushenbush, Division of Power; and Mrs. J. Atwood Maulding, Director of Personnel, to review the rating. As soon as a report has been made to me, you will be advised of the finding.

Sincerely yours,

(Sgd) Harold L. Ickes

Secretary of the Interior.

Mr. H. A. Doerner,
Bureau of Mines,
Pullman, Washington.
