Hon. Howard Southerland,
U. S. Senate,
Washington, D. C.

Dear Senator:

We are informed that an attempt will be made to bring the Suffrage Amendment again to a vote this session.

Allow us to ask your careful attention to the enclosed brief. Especially do we ask that you consider the simple statement of facts contained in the closing section.

It is not now the question as to the right or wrong of woman suffrage, but whether the fundamental rights of the People are to be maintained. We pray that the Senate, now the only hope of the people, will continue firm in defense.

Very respectfully yours,

Chairman
