PITTSBURGH ASSOCIATION

OPPOSED TO WOMAN SUFFRAGE

414 UNION BANK BUILDING

Our Platform.—We stand for the conservation of the best American womanhood of all conditions and stations of life, for the preservation of the home, for the retention of the best ideals of preceding generations adapted to the advantages and opportunities given to women under modern conditions. We believe that women, according to their leisure, opportunity and experience should take part increasingly in civic and municipal affairs as they always have done in charitable, philanthropic and educational activities and we believe that this can best be done by women *without* the ballot, as a non-partisan body of disinterested workers.

PITTSBURGH, PA. June 24th, 1918.

Honorable Howard Southerland,
Senate Office Building,
Washington, D.C.

Dear Sir:

May I take one moment of your very valuable time to draw your attention to the fact that the majority of the States in this Union have, by popular vote of the people, turned down Woman Suffrage by very large majorities. This being the case, we feel assured that you will uphold the principle of democracy and vote against the Federal amendment when it comes up in the Senate.

Very respectfully yours,

Katherine B. OHL
